

# Notice 03/2022 – Requirement – Notice for the purposes of clause 7.1.2(d) of the PDRS Rule

*Acceptance of all water heaters under Activity Definition F16 on the ESS 'Accepted Product List' as meeting the Equipment Requirements for Activity Definition WH1*

3 November 2022

1. The Scheme Administrator of the Peak Demand Reduction Scheme (**PDRS**), pursuant to clause 7.1.2(d) of the *Peak Demand Reduction Scheme Rule of 2022* (**PDRS Rule**), accepts all water heaters accepted under Activity Definition F16 listed on the 'Accepted Product List' published by the Scheme Administrator of the Energy Savings Scheme (**ESS**), as in force from time to time, as meeting the Equipment Requirements for Activity Definition WH1 under the PDRS Rule.
2. The Scheme Administrator of the PDRS is satisfied that the relevant requirements for listing a product on the 'Accepted Product List' are substantially the same as the relevant Equipment Requirements for Activity Definition WH1 under the PDRS Rule.
